Ingredients

1 tbsp Queen Strawb'ry & Cream Flavour for Icing

3 drops Queen Red Food Colour Gel

Rocky Road

225g milk chocolate

225g dark chocolate

4 chocolate coated Turkish delight bars, chopped

$\frac{3}{4}$ cup chopped hazelnuts

2 packets pastel mini easter eggs

1 packet white chocolate mini easter egg

Method - Marshmallow

In a saucepan, combine $\frac{1}{4}$ cup of water, caster sugar and glucose. Heat gently over medium heat until the sugar has dissolved and begins to boil. Allow to heat until the sugar reaches soft ball stage of 112°C . Remove from heat immediately.

STEP 3

Start the stand mixer with the whisk attachment and carefully, gently pour the hot sugar syrup into the mixer with the gelatine. Slowly increase to high and add Strawb'ry & Cream Flavour for Icing and Red Food Colour Gel. Whisk until the mixture has quadrupled in volume and the bowl of your mixer is no longer hot to the touch.

STEP 4

Working quickly, pour the marshmallow mixture over the shortbread base and level with a spatula. Set aside at room temperature for 3-4 hours until set.

Method - Rocky Road and Assembly

STEP 1

Add milk chocolate and dark chocolate to a clean, dry bowl set over a pot of gently simmering water. Stir continuously until the chocolate is completely melted and smooth. Allow to cool enough that the chocolate is still melted, but not hot enough to melt the Easter eggs.

STEP 2

Stir through $\frac{3}{4}$ of the Turkish delight, hazelnuts, Easter eggs and white chocolate Easter eggs until well coated in melted chocolate.

STEP 3

Pour and smooth over the set marshmallow. Top with remaining rocky road ingredients including pastel mini Easter eggs. Set in the fridge for 15 minutes before cutting into squares.
