Iced Vovo Cupcakes

These sweet little cupcakes celebrate the nostalgic raspberry and coconut flavour combination of the iconic Iced Vovo biscuit.

Ingredients

Cupcakes

220g butter, softened
1 cup (220g) caster sugar
3 large eggs, room temperature
2 tsp **Queen Vanilla Extract**
1 cup (90g) desiccated coconut
1 ½ cups (225g) self-raising flour, sifted
¾ cup (180ml) milk
1 cup (125g) frozen raspberries, slightly thawed

Raspberry Buttercream

250g unsalted butter, softened

Method - Cupcakes

STEP 1

Preheat oven to 160°C (fan forced). Line a 12 hole cupcake tin with cupcake cases.

STEP 2

In the bowl of a stand mixer fitted with the paddle attachment, cream butter, sugar and Vanilla Extract until light and fluffy - be patient as this will take about 5+ minutes. Add eggs one at a time and beat well after each addition.

STEP 3

Add coconut, flour and milk, mixing until combined. Fold through raspberries.

STEP 4

Fill cupcake cases with 1/3 cup of batter, then bake for 20-22 minutes. Allow to cool for 5 minutes in the tin, before transferring to a wire rack to cool completely.
