## Ingredients

65g ( $\frac{3}{4}$  cup) desiccated coconut  
125ml ( $\frac{1}{2}$  cup) coconut milk

### Passionfruit Cream

185ml ( $\frac{3}{4}$  cup) thick (double) cream  
1 tsp Queen Vanilla Bean Paste  
 $\frac{1}{3}$  cup (80ml) fresh passionfruit pulp

## Method

Combine flour and desiccated coconut. Add half to butter mixture and mix on low until just combined. Add coconut milk and mix until just combined. Add remaining flour and coconut mixture and mix on low until just combined.

### STEP 5

Spoon pudding mixture into ramekins over the lime syrup, dividing evenly (syrup will come up the sides of ramekins). Bake in preheated oven for 25-30 minutes or until an inserted skewer comes out clean.

### STEP 6

Stand puddings in ramekins for 3-5 minutes before turning onto serving plates, using a small palette knife to release them if necessary.

### STEP 7

Place the cream and passion fruit in a medium bowl and stir with a balloon whisk until it starts to thicken. Serve puddings warm with a generous dollop of passionfruit cream.
