Ingredients

3 tsp Queen Organic Vanilla Bean Paste

1 cup (150g) self-raising flour, sifted

1 cup (150g) plain flour, sifted

½ cup (60g) cocoa, sifted (replace with same amount of plain flour if making white choc mud cake)

½ tsp bicarbonate of soda

Ganache

150g dark chocolate, chopped

150ml thickened cream

Cocoa powder, to dust

Method - Cake

Sift remaining ingredients into a large bowl, mixing to combine. Make a well in the centre and pour in chocolate mixture, stirring to combine. Pour into prepared tin and bake for 1 hour 15-20 minutes or until an inserted skewer comes out clean. Allow to cool in tin for 10 minutes before inverting onto a wire rack to cool completely.

Method - Ganache

STEP 1

Place chopped chocolate into a small, heat proof bowl, set aside. Melt cream in a small saucepan over medium heat until just simmering.

STEP 2

Remove from heat and pour over chocolate. Allow to sit for 3-4 minutes, before mixing until smooth.

STEP 3

Allow to come to room temperature before placing in the fridge until it is a spreadable consistency. Spread over top of cake and dust with cocoa powder to serve.
