Easy Microwave Chocolate Freckle Fudge

The humble chocolate freckle is a true Aussie icon and tastes even better in fudge form! Whip this one-bowl-wonder up in the microwave, then double up on the crunchy sprinkles for an easy nostalgic treat.

Ingredients

395g can sweetened condensed milk

1 cup (220g) caster sugar

125g butter

2 tbsp (40ml/60g) Queen Glucose Syrup

2 tsp Queen Organic Vanilla Bean Paste

200g milk chocolate melts

65g 100s and 1000s Sprinkles

Method

STEP 1

Grease and line the base of a 20cm x 20cm square cake tin or a 26cm x 16cm slice tin with baking paper or foil sprayed with non-stick spray.

STEP 2

Place condensed milk, sugar, butter and Glucose Syrup in a large (3L) microwave-safe glass bowl and microwave for 8 minutes, stopping to stir every 2 minutes. Keep a close eye on the microwave as the mixture may bubble over.

STEP 3

Add Vanilla Bean Paste and chocolate and stir until mixture is smooth and glossy. Working quickly, pour into tin and smooth out over base. Sprinkle over Hundreds & Thousands and lightly press down into fudge with a piece of baking paper.
