Family OF VANILLA

NATURAL VANILLA EXTRACT

Made with pure vanilla beans, this low alcohol vanilla extract has a sweet, syrupy consistency.

USE – Ideal in no-bake recipes such as icings, drinks and chilled desserts as well as baked goods – cakes, slices and biscuits.

ORGANIC VANILLA ESSENCE

Made in the style of our first vanilla 120 years ago, this certified organic vanilla is known by the traditional name 'essence', though it is a true vanilla extract.

USE – Ideal in most recipes, especially in every day cakes, slices and batter-based recipes, where a small amount of liquid won't change the final result

NATURAL CONCENTRATED VANILLA EXTRACT

Made with pure vanilla beans, this vanilla has been concentrated to create a thick, syrupy consistency.

USE – Most recipes, especially in recipes where you do not want to add too much liquid, such as biscuits, meringues and sponge cakes.

ORGANIC VANILLA BEAN PASTE

This vanilla is made with pure vanilla beans with no other flavours added, giving a strong, pure vanilla flavour with attractive vanilla bean seeds.

USE – Ideal in high fat recipes such as cheesecake, custard and whipped cream as well as low liquid or delicate recipes such as meringue, sponges and mousse.

FINEST VANILLA BEAN PODS

These pure, single origin vanilla bean pods are from Papua New Guinea, a region prized for producing vanilla that has an incredibly aromatic flavour profile with hints of anise and cherry.

USE – Ideal for creamy desserts, infusing custards, syrups and cream.

MADAGASCAN VANILLA BEAN PASTE

This premium, single origin vanilla bean paste is made with prized Madagascan vanilla beans. It can be used in the same way as our Organic Vanilla Bean Paste.

USE – Ideal high fat, cream recipes that allow the unique profile of this prized vanilla to shine through.

FINEST SINGLE ORIGIN MADAGASCAN VANILLA EXTRACT

This vanilla extract exhibits the rich, sweet and slightly woody vanilla flavour signature to Madagascar, one of the world's finest vanilla growing regions.

USE – Great in most recipes, but is best in creamy recipes such as custards, whipped cream or ice cream that allow the prized Madagascan flavour to shine.

FAIRTRADE VANILLA EXTRACT WITH SEEDS

We are committed to the ethical sourcing of vanilla & the long term viability of the vanilla industry. By buying vanilla extract, you are helping to support hundreds of vanilla growers in some of the most remote parts of the world.

USE – This extract gives a classic vanilla flavour to everyday cakes, slices and batter-based recipes as well as the attractive appearance of vanilla bean seeds.

CELEBRATING 120 YEARS PURE VANILLA EXTRACT

To celebrate our 120 year anniversary, we blended this beautiful vanilla extract, inspired by the original Queen Vanilla you've grown up with. Heady and fragrant, this vanilla extract combines the spice and floral notes of Tahitian vanilla, together with wood and chocolate from prized Madagascan vanilla beans.

USE – Worthy of your very best baking, this extract is ideal in most recipes, but especially in those extra special family favourites where this full bodied vanilla can shine.

SERVES: 8 | PREP: 20 MIN | COOK: 90 MIN

INGREDIENTS

Pavlova

Queen Meringue & Pavlova Powder Mix

1 tsp of Queen Natural Concentrated Vanilla Extract

To assemble

Pulp of 3 large passion fruit

500ml thickened cream

1 tsp Queen Natural Concentrated Vanilla Extract

Mixed berries, to decorate

METHOD

Pavlova

1. Using a hand or stand mixer fitted with the whisk attachment, prepare Queen Meringue & Pavlova Powder Mix according to pack directions. Add Vanilla Extract before mixing.

2. Spread onto baking paper lined baking tray and bake for 1 hour 30 minutes in a preheated oven at 100°C (fan forced) / 120°C (conventional). Allow to cool completely in oven with the door ajar.

To assemble

1. Whip thickened cream and Vanilla Extract until firm peaks form, being carefully not to over whip. Top Pavlova with cream, berries and passion fruit pulp just before serving.

Pavlova tips

For a marshmallowy centre, add 2 tsp of corn flour into the whipped meringue, and gently fold through or mix briefly until just combined.

Only whip Pavlova in a clean glass, ceramic or metal bowl, avoid using plastic as it can hold onto hidden grease and prevent your Pavlova from whipping.

Avoid opening the oven while cooking, as it may cause your Pavlova to crack or sink.

No Bake Chocolate Rum Ball Cheesecake

- 125g unsalted butter
- 2 tbsp (40ml/60g) Queen Glucose Syrup
- 1/3 cup Baileys Irish Cream
- 1 tsp Queen Natural Concentrated Vanilla Extract
- 200g dark chocolate, chopped
- 280g Maltesers

METHOD

1. Grease and line the base of a 20cm x 20cm square cake tin or a 26cm x 16cm slice tin with baking paper or foil sprayed with non-stick spray.
2. Place condensed milk, sugar, butter and Glucose Syrup in a large (3L) microwave-safe glass bowl and microwave for 9 minutes, stopping to stir every 3 minutes. Keep a close eye on the microwave as the mixture may bubble over.
3. Add Baileys and Vanilla Extract, stirring to combine – be careful as mixture may bubble. Add chocolate and stir until mixture is smooth and glossy. Working quickly, pour into tin and smooth. Top with Maltesers and lightly press into fudge.
4. Allow to cool completely before refrigerating for 2 hours. Slice into pieces with a hot knife to serve.

Recipe Notes:

We used a 1100 watt microwave at full power. For a lower or higher wattage microwave, additional or less time may be needed to set correctly.

A large 3L is required for microwave fudge as mixture increases in size as it bubbles – any smaller and the mixture may bubble over the sides of your bowl.

Please use oven mitts or a tea towel when handling the glass bowl straight from the microwave as it will be very hot.

Tim Tam Slam Tiramisu

While it's hard to beat a classic, we think this Italian-Aussie fusion has secured a place firmly in our hearts. This recipe layers whipped mascarpone between coffee soaked Tim Tams to create something reminiscent of the iconic Tim Tam Slam.

SERVES: 8-10 | **PREP:** 20 MIN + CHILL

INGREDIENTS

500g Mascarpone
4 large egg yolks
¼ cup (110g) granulated sugar
2 cups (500ml) thickened cream
3 tsp Queen Organic Vanilla Bean Paste
1 ½ cups (375ml) strong espresso, room temperature
¼ cup (60ml) Kahlua, optional
2 x Tim Tams Family Pack (660g)
Cocoa powder, to dust

METHOD

1. With a handheld or stand mixer fitted with a paddle or whisk attachment, beat the mascarpone in large bowl until smooth. Set aside.
2. In a heat-proof bowl place egg yolks and sugar, whisking to combine. Place bowl over a small pot of simmering water over medium-low heat. Don't let the water touch the bottom of the bowl. Whisk together until pale and thick. Remove from the heat and add to mascarpone. Beat on medium speed to combine.
3. Whip thickened cream and Vanilla Bean Paste to firm peaks (do not overwhip). Fold the whipped cream into the mascarpone mixture. Place in fridge to chill for 30 minutes.
4. Combine coffee and Kahlua (if using) in a shallow bowl, set aside.
5. Slice edges off all the Tim tams length ways just enough to reveal the cookie. Soak Tim tams in coffee mixture, then arrange them in serving dish to make one solid layer. Top with half the mascarpone mixture, then remaining soaked Tim tams.
6. Put the remaining mascarpone in a piping bag fitted with a large round piping tip, then pipe on top layer. Chill for 2-3 hours before dusting with cocoa to serve. Cover leftover tiramisu and store in the refrigerator for up to 3 days.

RECIPE TIP

If you'd prefer to keep the recipe alcohol free, simply swap it out for additional coffee.

Chocolate Salami

Take your Christmas charcuterie board to the next level with our chocolate salami, packed with fragrant cinnamon, punchy crystallised ginger and a little crunch from assorted nuts and biscuits.

SERVES: 2 LOGS | **PREP:** 30 MIN + CHILL | **COOK:** 10 MIN

INGREDIENTS

- 200g dark cooking chocolate, chopped
- 100g unsalted butter
- 1 tsp Queen Organic Vanilla Bean Paste
- ½ tsp ground cinnamon
- ⅓ cup (75g) white sugar
- 2 tbsp (25g) brown sugar
- 1 large egg
- 1 large egg yolk, extra
- 170g plain sweet biscuits (arrowroot, Marie), coarsely crushed
- 1 cup (120g) mixed nuts: pistachios, hazelnuts & almonds
- 50g crystallised ginger, finely chopped
- 2 tbsp (25g) icing sugar

METHOD

1. In a medium heatproof bowl, combine chocolate and butter. Place bowl over a saucepan of simmering water and stir until melted.
2. In separate bowl, combine Vanilla Bean Paste, cinnamon, sugars, egg and egg yolk and whisk to combine. Add to chocolate mixture over simmering water. Stirring constantly, continue to cook until sugar has dissolved and mixture is smooth, about 5-10 minutes. Remove from heat.
3. In a large bowl, combine biscuits, nuts and crystallised ginger. Add chocolate mixture to biscuit mixture and stir well.
4. Immediately divide the chocolate mixture into two between two sheets of cling wrap. Roll up in cling wrap and twist ends. Refrigerate the logs for 1-2 hours or until firm. Roll in icing sugar and allow to sit for 10 minutes at room temperature before cutting into slices to serve.

RECIPE TIP

For a white chocolate version, follow the directions and use gingernut or chocolate biscuits, and replace nuts and ginger with almonds, pistachios, cranberries and apricots equaling 1 ⅓ cup total.
