Ingredients

Streusel

- 3/4 cup (110g) plain flour
- 2/3 cups (120g) brown sugar
- 1 tsp ground cinnamon or Queen Cinnamon Baking Paste
- 1/4 tsp salt
- 1/4 cup (50g) butter, cold
- 1 tbsp Queen Glucose Syrup
- 3 cups (450g) sliced, peeled peaches

Method - Streusel

Make the streusel topping by combining flour, sugar, cinnamon, salt, butter and glucose syrup in a food processor and pulsing until the mixture is crumbly.

STEP 2

Layer half the streusel onto the cake batter and then layer the peaches over the topping evenly. Sprinkle the remaining streusel mixture over the peaches and bake for 40-50 minutes or until a wooden pick inserted in center comes out clean. Cool on a wire rack.
