Method

Melt peanut butter in a microwave safe bowl for 10-15 seconds. Stir until smooth. Spread over top of brownie mixture and swirl to combine. Top with choc chips and bake for 30 minutes. Brownies are done when the centre of cake no longer wobbles (brownies are traditionally dense and fudge like – a skewer will not come out clean). Allow to cool completely, then cut into squares to serve. For a real indulgence serve warmed with a scoop of ice cream.
