Ingredients

150g dark chocolate
1/2 cup Queen Glucose Syrup
1/2 cup (125ml) double cream

Topping

4 butternut snap cookies, crushed
300g marshmallows
Easter eggs (optional)

Method - Cake

Divide batter evenly between the two tins, and bake for 30-35 minutes, or until an inserted skewer comes out clean. Leave cake to cool in the tins for 30 minutes. Remove and place on a wire rack to cool completely.

Method - Ganache & Assembly

STEP 1

To make the ganache, break up the chocolate and place in a heat-proof bowl. In a small saucepan, heat the glucose syrup and cream until it just comes to a simmer. Turn off the heat, and pour the mixture over the chocolate.

STEP 2

To assemble the cake, level off the cake layers if they are domed and then slice each cake into two layers.

STEP 3

Place one layer onto a serving dish, and pour over just under a quarter of the cooled ganache. Spread to the edge, and then scatter over a quarter of the cookies and marshmallows, tearing the marshmallows in half to distribute.

STEP 4

If desired, torch the marshmallows carefully using a kitchen blow torch according to the manufacturer's instructions.

STEP 5

Repeat layering until all cake layers are assembled. Finish by allowing the ganache drip down the sides of the cake and add any leftover crumbs. For a seasonal touch, decorate with coloured Easter eggs, or birthday candles if desired.
