STEP 5

Using a tablespoon of dough at a time, roll into a ball then roll into a log about 5cm long and 1.5cm wide. Gently shape it into a crescent and place on the baking tray. The biscuits don't spread so you can place them close together.

STEP 6

Bake for 8-10 minutes only then leave on the trays for 5 minutes. Place the icing sugar in a bowl and carefully toss the biscuits in it then place on a wire rack to cool completely. Store in an airtight container.
