Method - Cookies

STEP 5

Bake the cookies for 15-20 minutes, then cool completely on a wire rack.

Method - Icing

STEP 1

Meanwhile place the Dr. Oetker Royal Icing in a bowl and gradually stir in enough cold water to form a firm paste. Add the Strawb'rry & Cream Flavour for Icing and 1-2 drops Rose Pink Colouring. Stir until the colouring is evenly mixed through the icing. If too much water is added to Royal Icing mixture and it is runnier than a firm paste, just stir in a little sifted icing sugar.

STEP 2

When the cookies are cooled, take pairs and sandwich together with the pink icing mixture.
