Ingredients

Cake

115g butter
1 1/4 cups (200g) dark brown sugar
1 tsp Queen Organic Vanilla Bean Extract
1 large egg
1 3/4 cups + 2 tbsp (280g) plain flour
1/3 cup + 1 tbsp (50g) cocoa powder
1 1/4 tsp baking soda
1/4 tsp salt
225ml buttermilk

600g white chocolate

Method - Cake

STEP 1

Preheat oven to 170C (fan-forced) and line 4 large baking sheets with baking paper.

Ingredients

200ml cream

1/2 teaspoon Queen Peppermint Extract

few drops of Queen Green Food Colour

60g unsalted butter at room temperature and cut into small cubes

Method - Filling

STEP 1

Place the chocolate and cream in a microwave safe bowl and microwave on high for 2 minutes. Let it cool for a couple of minutes and then whisk until smooth and lump free. (If necessary reheat further in the microwave for bursts of 30second to 1 minute to remove/melt all lumps.) Whisk in the peppermint extract and green food colour.

STEP 2

Cover and allow the ganache to set – a couple of hours, or overnight. When set, use an electric mixer to mix the ganache and butter at high speed for a couple of minutes until light and fluffy. Make sure all the butter is incorporated and no little lumps are left.

STEP 3

Use a piping bag fitted with a star tip to pipe icing into half the cakes then place another cake on top to form the whoopie pie.
