Honey Jumbles

Surprisingly easy to make at home, these homemade honey jumbles have just the right amount of honey and ginger.

Ingredients

Jumbles

- 60g butter
- ½ cup (180g) honey
- 1 tbsp milk
- 1 tsp Queen Natural Vanilla Essence-Extract
- 1 ¼ cups (160g) plain flour
- ½ tsp bicarbonate soda
- 1 tsp ground ginger
- ½ tsp cinnamon
- ¼ tsp cloves
- ¼ tsp nutmeg

Icing

Method - Jumbles

STEP 1

Preheat oven to 160°C (fan forced) and line 2 baking trays with baking paper. Place the butter and honey in a medium saucepan over medium heat. Bring to a simmer, reduce heat to low and cook for 2 minutes. Allow to cool slightly.

STEP 2

Add milk and vanilla to butter mixture. Sift flour, bicarbonate of soda, and spices over butter mixture. Stir to combine. Cover with cling wrap and chill 1 hour or until mixture is firm enough to handle.

STEP 3

Once dough has cooled, form a disk with the dough and divide into quarters. Divide each quarter into 4 balls. Roll each ball into 5-6cm logs and flatten with the back of a wooden spoon leaving 5cm between them for spreading. Bake for 10 minutes and leave to cool slightly before transferring to wire racks.
