Vegan Cheesecake Trifles

These Festive Vegan Trifles are packed full of flavours, raspberry + cranberry jelly, brandy whipped cream, gingersnap and a whined cheesecake that made them the perfect dessert for any occasion. A big thank you to the lovely Jade from Panaceas Pantry for developing this recipe for us!

Ingredients

Raspberry jelly layer

- 4 sachets of Jel-it-In
- 750 ml cranberry juice
- 1/3 cup castor sugar
- 1 1/2 cups of frozen raspberries

Brandy whipped cream

- 1 tbsp Queen Pure Maple Syrup
- 1 1/2 tsp Queen Organic Vanilla Bean Paste

Method - Making the Jelly:

STEP 1

Add 250ml cranberry juice and Jel-it-in to a saucepan and mix well until the powder has completely dissolved (it will become thick and cloudy).

STEP 2

Add remaining cranberry juice and sugar, then place over a medium heat and bring to a boil. Whisk the mixture continuously until it has boiled for 5 mins, then allow to cool for a few minutes before carefully pouring into desired serving glasses.

STEP 3

Divide frozen raspberries between each glass then set in the fridge for 1+ hours.
