Fruit Mince Tarts

These seasonal tarts are such a Christmas treat. The fact that you can't get them any other time of year makes fruit mince tarts, especially home made, taste extra special.

Ingredients

Pastry

2 cups (300g) plain flour
2 tablespoons custard powder
1/3 cup (75g) caster sugar
185g cold butter, chopped
1 large egg yolk
2 tablespoons cold water,
approximately

Filling

475g jar fruit mince

Method - Pastry

STEP 1

Grease two 12-hole deep patty pan trays.

STEP 2

Process the flour, custard powder, caster sugar and butter until crumbly. Add the egg yolk and just enough water to make ingredients cling together.

STEP 3

Knead pastry on a lightly floured surface until smooth, wrap in plastic; refrigerate for 30 minutes.

STEP 4

Roll two-thirds of the pastry between sheets of baking paper until 3mm thick. Cut 24 x 7.5cm rounds from pastry, re-rolling as necessary to make 24 rounds. Place rounds into greased trays, reserve the pastry scraps. Refrigerate while preparing the filling.
