Ingredients

200g white chocolate, chopped

Chocolate Crackle Top

400g milk chocolate, chopped

2 cups (70g) puffed rice

Method - Caramel Filling

In a heavy-based saucepan, combine butter, sweetened condensed milk, brown sugar, glucose and vanilla. Stir over medium-low heat until butter melts and sugar dissolves. Increase heat and bring mixture to a gentle simmer. Simmer for 5-6 minutes, or until mixture thickens and starts to come away from the side and bottom of the pan while stirring.

STEP 2

Remove pan from heat and stir in white chocolate, until melted and completely combined. Pour filling over cooled chocolate base. Cover evenly and tap tin on bench a few times to remove air bubbles. Set aside to cool while making chocolate crackle top.

Method - Chocolate Crackle Top

STEP 1

Place milk chocolate in a microwave-safe bowl. Melt in microwave in 30 second bursts, mixing between each burst, until completely melted. Add puffed rice to melted chocolate and stir until well combined.

STEP 2

Spoon crackle mixture on top of the caramel filling. Spread evenly until filling is completely covered. Allow slice to cool at room temperature, then transfer to fridge to set for 3 hours (or overnight). Prior to serving, remove slice from fridge and set aside to come to room temperature. Once at room temperature, cut into squares or bars.
