Ingredients

Juice of ½ lemon (1 tbsp)
30g butter
1/2 tsp Queen Vanilla Bean Paste
1/4 cup (55g) caster sugar
½ tsp cinnamon or Queen Cinnamon Baking Paste

Brown Butter Cinnamon Icing

250g salted butter
160g cream cheese, softened
2 cups (300g) icing sugar, sifted
½ tsp cinnamon or Queen Cinnamon Baking Paste
1 tsp Queen Vanilla Bean Paste

Crumble

1/3 cup (50g) plain flour
¼ cup (40g) brown sugar
2 tbsp rolled oats
60g butter
¼ tsp cinnamon or Queen Cinnamon Baking Paste

Method - Apple Filling

STEP 2

In a medium saucepan, melt the butter. Add the sugar, cinnamon and vanilla and stir until combined. Add apples and lemon juice to the saucepan and cook with lid on over a low heat for 10-15 minutes or until apples are soft. Set aside to cool completely and begin to prepare icing and crumble.

Method - Crumble

STEP 1

Mix all ingredients together in a bowl until butter is mixed through evenly. Spread onto a baking tray lined with baking paper. Bake in a 180°C oven for 15-20 minutes or until mixture appears dried and crumbly. Set aside to cool and the mixture will harden and become crunchy crumble.

Method - Brown Butter Cinnamon Icing

STEP 1

Melt butter in a small saucepan over medium heat and bring to a simmer. Butter will begin to turn a golden brown colour and once it does, take it off the heat immediately. Transfer butter to a heat proof bowl and place in the fridge to set.

STEP 2

Once the butter has set, but is soft to touch, whip in a mixer on high speed until softened. Add in the cream cheese and whip again on high speed until the mixture is light and fluffy. Add cinnamon and vanilla bean paste and mix to combine. Add icing sugar, and once combined, whip again on high for 1-2 minutes. Transfer to a piping bag with an open star tip to decorate.

Method - Decoration

STEP 1

Cut a hole in the centre of each cupcake using either a small knife or an apple corer. Fill cupcakes with the apple filling. Pipe icing on cupcakes and finish with a good smattering of homemade crumble.
